When I was twelve...

My name is Imogen. When I was twelve, I lived in the North of England. One day, I walked along a street. A plant fell on my head! It fell from an upstairs window. I saw a woman at the window. My head hurt! I ran home and told my mother. She was angry. We went to that house. A woman came to the door. She said her cat did it! The plant was on the window sill. The cat jumped up and knocked it off. The woman was sorry. She gave me a bar of chocolate. I went to school and my mother went back home.
